

# Assessment of Institutional Capacity in Competition

- Part I - Substantive Possible Elements for a Competition Law: 13 provisions
  - *Chapter IX - The Administering Authority and its organization*
  - *Chapter X: Functions and powers of the Administering Authority*
- Part II - Commentaries: legal amendments, case-law, bibliography.
- 2011 Background paper " Foundations of an effective competition agency" (TD/B/C.I./CLP/8, 2011)

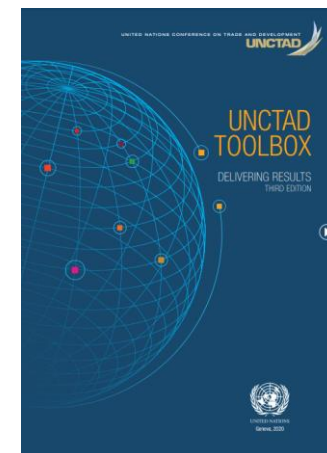

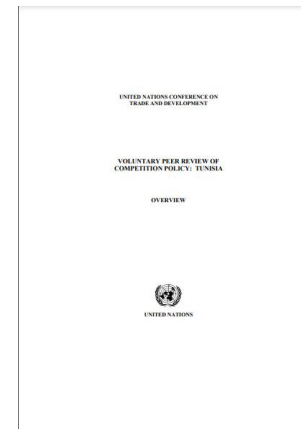

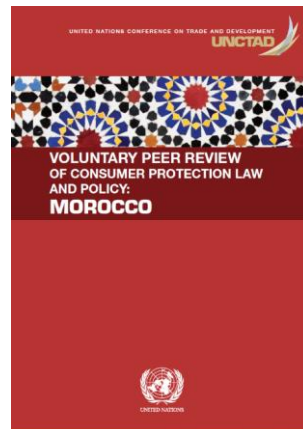

## Countries that have undertaken UNCTAD Voluntary Peer Reviews since 2005

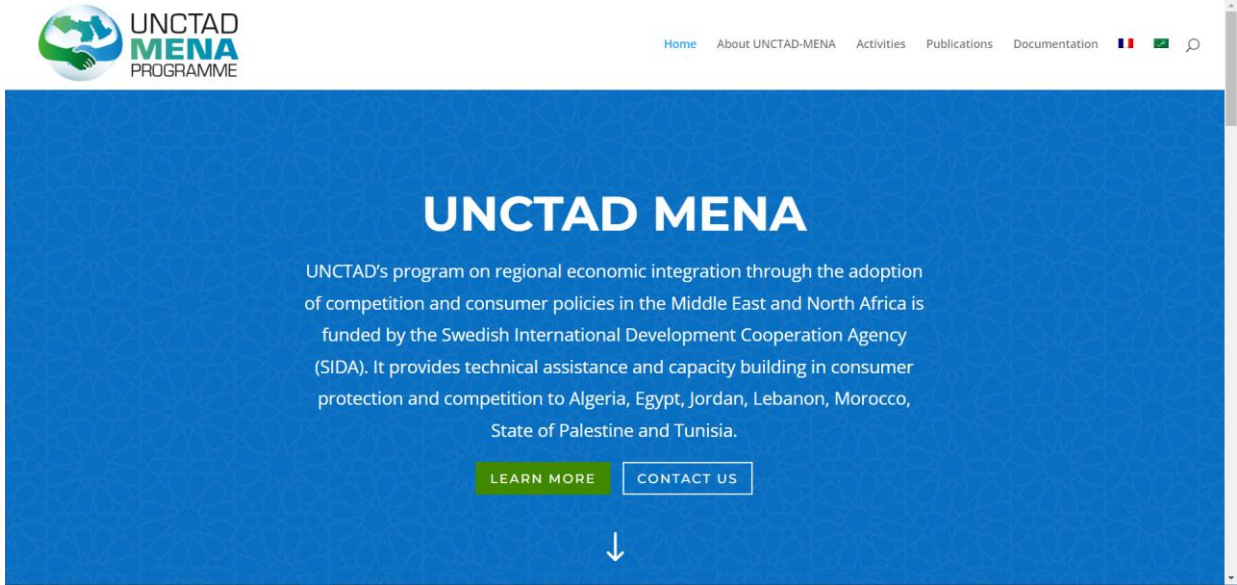

- Since 2005 on Competition law and policy;
- 30 Peer Reviews, 26 of which on Competition, including 2 regional reviews in the West African Economic and Monetary Union, 1 tripartite review of Tanzania, Zambia and Zimbabwe and 1 bipartite review of Fiji and Papua New Guinea;
- 30 countries covered, 26 on Competition law and policy

# Voluntary Peer Reviews on Competition and on Consumer Protection Laws and Policies

- **Objectives:**
  - Benchmark national legislative and institutional frameworks against international best practices
  - Provide high-level recommendations for law and policy improvement
  - Fuel international cooperation
  - Inform Technical cooperation
- **Competition since 2005 (Tunisia 2006); Consumer protection since 2018 (Morocco 2018)**
